Acquiring ROW for Inland Drive – Justin from Widseth Smith Nolting brought drawings outlining plans for the project. Bucky brought up possibly making room for snowmobiles. Britt will mail out the second attempt letter to the holdings company for the pipeline. If there is no response in the next two months at most, the next step is the road alteration procedure.

Dental Insurance – This is no longer a group plan, just an individual plan. It will be up to everyone if they wish to keep it or not. The board will decide in January whether or not to continue paying for coverage or not.

Old Minutes – All old minutes are available for viewing.

NEW BUSINESS
