OLD BUSINESS

Hazel Wood Drive - Brittany received a resolution and a petition from Jason Hill at Kennedy & Graven. Troy Gilcrest is recommending establishing a subordinate service district. Brittany will send the petition to Chuck Diessner. If the board receives the petition with at least 50% of property owners' signatures, the next step is a special informational meeting. A feasibility study would be an option in the future, as well. A motion was made by Clark and seconded by Lance to adopt the resolution regarding the administration and processing of subordinate service district petitions.

Transferring Township Records - Brittany will find out if the records are scanned to be able to

access online. If not, the board decided to pass as on the records would not be easily accessible.

NEW BUSINESS

A motion was made by Lance and seconded by Clark to approve Foxy's Liquor License. Motion carried.

The annual MAT Conference will be in Mankato on November 22, 2019.

Brittany and Jason received an email from someone working for the Chicago Regional Census Center regarding setting up a meeting to go over new information on the 2020 Census. Jason will reach out to the county before the next meeting regarding who takes care of the Census information.

Terry Long contacted Brian Halbasch regarding the last storm we had, and Brian didn't believe the costs would exceed the threshold. Brittany will send Brian an email to let him know the estimated unexpected costs were around \$2,400.

A motion was made to adjourn at 8:15 pm.

Respectfully Submitted,

Brittany Barnum - Clerk

Supervisor
